

1. Account Registration

1.1. To access certain features of our platform, you may be required to create an account. When registering, you agree to provide accurate, current, and complete information as prompted by the registration form. You are solely responsible for maintaining the confidentiality of your account credentials and for all activities that occur under your account.

1.2. The information required for account creation includes a username, email address, and password. We do not require or store any additional personal information beyond this.

2. Data Collection and Privacy

2.1. We respect your privacy and are committed to protecting your personal information. We only collect and store the minimum necessary information required to operate the platform.

2.2. The only personal information we collect is your email address, which is used for account verification and communication purposes. Your email address will not be shared with third parties without your consent.

3. Advertising

3.1. Our platform may utilize Google advertising plugins to display advertisements. We do not track or store any user data related to interactions with these advertisements.

4. Account Deletion

4.1. Users have the option to delete their accounts at any time. Upon account deletion, all associated information, including email address, password, and username, will be permanently removed from our servers.

5. User Conduct

5.1. Users are expected to conduct themselves in a respectful and lawful manner while using our platform. Any behavior deemed abusive, harassing, or otherwise inappropriate may result in the suspension or termination of your account.

6. Termination of Accounts

6.1. We reserve the right to suspend or terminate user accounts that violate our terms of service or engage in prohibited conduct. In such cases, user information may be retained for security and enforcement purposes.

7. Changes to Terms

7.1. We reserve the right to modify or update these terms and conditions at any time without prior notice. Continued use of the platform after any changes constitutes acceptance of the revised terms.
